

## Protected Areas Network (PAN) APPLICATION FORM

---

*This form must be completed as accurately as possible and where appropriate clarifying documents should be attached. If provided space is insufficient, please use additional sheets with the question number clearly indicated.*

1. Applicant Name

Address:

Phone Number:

Email:

2. Name of the Proposed Site(s) for PAN:

3. Role/Relationship of Applicant to the Nominated Area:

4. Please list partner(s) involved with the development or management of the site or preparation of this application.

5. Did the applicant review the PAN Act and PAN Regulations before beginning this application process?

6. Is the applicant willing to commit the proposed site for long-term inclusion in the PAN? If no, please explain.

7. Was the site developed through the Reimaanlok process? If yes, please attach the current resource

management plan and list of Local Resource Committee members. If no, please describe other conservation program or local management practices at the site.

8. Are all LRC members aware and have agreed to their role? If no, please explain.

9. Please provide a description of the site.

10. Please select which type of protected areas have been/will be established for the nominated site. Note you can have different types/uses of protected areas at different locations within your site(s).

- Type I – Subsistence only. This area is managed for subsistence non-commercial use.
- Type II – Special Reserve. This area is subject to a high level of protection, and occasionally a very low level of subsistence or special occasion activities.
- Type III - Restricted and Protected Area. This area has total restrictions subject to no activities, either within a large protected area or in an identified protected area.
- Type IV – Traditional Mo. This area includes either parts of land, a whole island, or a reef area that is managed and restricted through the practices of Mo by Chiefs (Iroij) only.

11. Size and location – What features have been used to delineate the boundaries of the site? Please attach a map that delineates ownership and the type of protected area(s) and the location of sites of conservation, historic, or cultural significance.

12. Are there any outstanding land/use disputes related to the site? If yes, please explain.

13. Please indicate the type of assistance needed for the site and how it relates to one or more of the following focal areas. Proposed projects/activities must support the existing resource management plan of the site.

- Financial. Please include total amount requested below and attach a budget breakdown to indicate what the financial resources will be used for.
- Technical. Please explain.

Logistical. Please explain.

Other. Please explain.

14. What are the proposed dates for the project? Please attach a timeline of activities and outputs (deliverables).

15. Documents to be submitted with the application form.

- Attachment 1 – Copy of resource management plan including list of LRC members.
- Attachment 2 – Site map including types of protected areas/areas of significance.
- Attachment 3 – Budget breakdown.
- Attachment 4 – Timeline of activities.
- Attachment 5 – Any document relating to the conservation site, baseline information, literature, etc.
